

Data Journalism Handbook Greek Version is available online

Submitted on 23 Dec 2013 by Charalambos Bratsas

The Data Journalism Handbook is now also available in Greek <http://datajournalism.okfn.gr> . A collaborative work of the Open Knowledge Foundation Greece chapter with the [Media Informatics Lab of School of Journalism & Mass Communication](#) and the [Master of Web Science](#), School of Mathematics at Aristotle University of Thessaloniki.

The Data Journalism Handbook is a free, open source reference book for anyone interested in the emerging field of data journalism. It was born at a 48 hour workshop at MozFest 2011 in London. Afterwards, it has been translated in Russian, Spanish, French and Georgian.

The Greek version of the Data Journalism Handbook will be used in School of Data in the early of 2014 by Open Knowledge Foundation Greece. Also it will be used in a master program at the school of Journalism & Mass Communication and in a lot of journalistic events. So, if you are interested in Data Journalism, keep in touch with [OKF Greece](#).
