

Guides to Implementation of the (Revised) PSI Directive in Italy

Through [Agenzia per l'Italia Digitale](#), the Italian government is pursuing a policy of developing its data infrastructure. Many of the Share-PSI Best Practices are covered by this work, but not all in the one document, i.e. the links below will take you to a variety of documents.

Linee Guida Nazionali per la Valorizzazione del Patrimonio Informativo Pubblico
National Development Guidelines for Public Sector Information

Language: IT

Applies to: Italy

Access: [Download](#) (PDF)

Date: 2014

Creator: Agenzia per l'Italia Digitale

Provenance: This guide was created before any results from Share-PSI were available.
