

# Guides to Implementation of the (Revised) PSI Directive in Romania

This is the official Romanian guide from the office of the Prime Minister. Daniel Pop of the [University of the West](#), Timișoara, works closely with the relevant team, secured the participation of Radu Puchiu (Secretary of State from the Chancellery of the Romanian Prime Minister) for the [Share-PSI workshop](#) in that city, and analysed the guide to identify areas where the advice is consistent with the project's Best Practices. The guide was later updated with references to Share-PSI best practices, which were translated to Romanian and made available on Share-PSI project website for Romanian browsers using [content negotiation](#).
