

## **Cologne Diversity Calendar**

**Application** 

URL <a href="https://play.google.com/store/apps">https://play.google.com/store/apps</a>

**Quick facts** 

Company: NullZwoApps

Sector: Population & Society

Product / service: Application

Type of data:
Open diversity calendar data

Origin: Germany

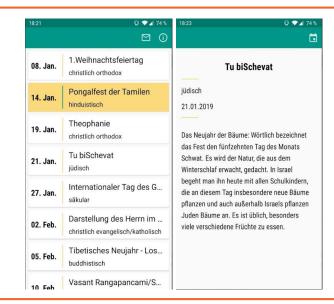

## **Description**

This application shows all the holidays of major religious communities as well as secular festivals and holidays of Cologne. The user can click on a specific holiday to gain additional insights such as its origin or tradition. Furthermore, individual holidays can be transferred to the user's calendar.

## **Benefits**

- The application informs people on religious holidays across major religious communities as well as local Cologne festivals.
- The application takes a holistic view on diversity ensuing equal appreciation across all major religious and Cologne-based groups.
- Due to the extra information provided, the application allows users to have an informed debate about the origins and traditions of religious holidays.

## How open data is used

The application uses data from the open data portal of Cologne, which uses diverse calendar data on religious holidays and holidays celebrated across Cologne, and feeds the data into one application.
