Quick facts

-  Company: Farmsubsidy
-  Sector: Agriculture, Fisheries, Forestry & Food
-  Product / service: Website
-  Type of data: Open agricultural & subsidiary data
-  Origin: Germany

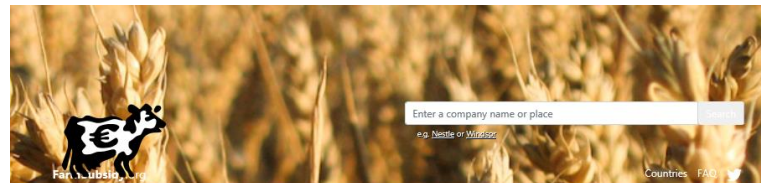

Description

Farmsubsidy provides a detailed overview about payments and recipients of the European Union (EU) farm subsidies in every EU member state. Users can search for country-specific data and find top recipients or look for specific companies receiving payments from the EU. The platform is under the roof of the non-profit Open Knowledge Foundation Germany.

Benefits

-  Farmsubsidy provides a user-friendly overview on data of European agricultural subsidies and recipients.
-  The platform empowers people to have an informed discussion about European agricultural policies and farm subsidies.

Welcome to farmsubsidy.org

The European Union spends around €59 billion a year on farm subsidies. This site tells you who receives the money.

All Time Top Recipients

How open data is used

Farmsubsidy displays open agricultural data from the European Commission and European Union, as well as it derives basic information from Wikipedia about agricultural policy.
