Quick facts

-  Company: Historic Apps
-  Sector: Education, Culture & Sport
-  Product / service: Application
-  Type of data: Historical and architectural data
-  Origin: Ireland

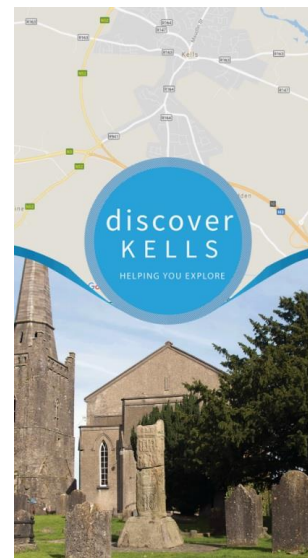

Benefits

-  The app presents topics of history and education in an easily accessible and mobile-friendly form.
-  Provides education to the interested public and at the same time has a city marketing function for Kells.

How Open Data is used

-  Discover Kells uses Open Data from the National Monuments Service and the National Inventory of Architectural Heritage.
-  Information about national monuments and historical buildings are presented on the app's map.

Future plans

-  The application is to be expected to continue as-is.
