Quick facts

- Company: Ministry of Justice
- Sector: Public
- Product / service: Service
- Type of data: Legislation
- Origin: Hungary

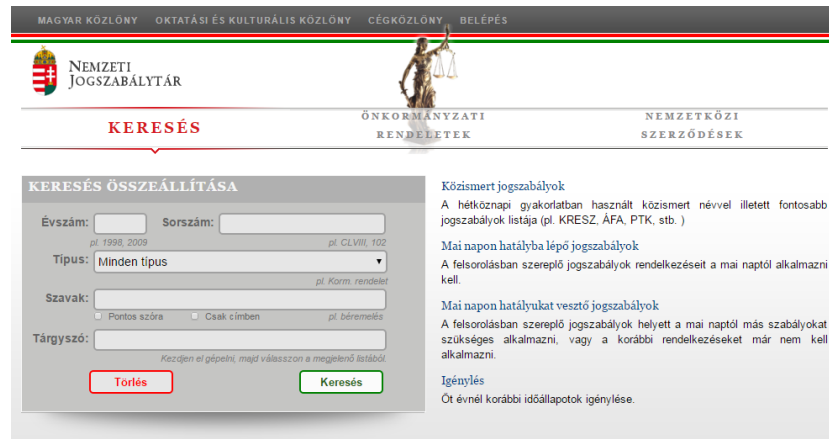

Benefits

- The website provides free of charge and quick access to national legislation.
- Insights in most popular legislation on the page.

How Open Data is used

- Free access to web-based legislation database, based on the Official Journal's core data.
- The website offers functionalities such as consolidate text, search by publisher, publication year and document number and by keywords.

The screenshot shows the search interface of the National Legislation Database (NEMZETI JOGSZABÁLYTÁR). The header includes navigation links for 'MAGYAR KOZLONY', 'OKTATÁSI ÉS KULTURÁLIS KOZLONY', 'CÉGKOZLONY', and 'BELÉPÉS'. The main navigation bar features 'KERESÉS' (Search) and 'RENDELETEK' (Regulations). The search form, titled 'KERESÉS ÖSSZEÁLLÍTÁSA', includes fields for 'Évszám:' (Year) and 'Sorszám:' (Number), a 'Típus:' (Type) dropdown menu, and a 'Szavak:' (Keywords) field with checkboxes for 'Pontos szóra' (Exact words) and 'Csak címben' (Only in title). A 'Tárgyszó:' (Subject) field is also present. Below the form are 'Törölés' (Clear) and 'Keresés' (Search) buttons. To the right, there is a section for 'Közismert jogszabályok' (Well-known laws) with a brief description and a list of 'Mai napon hatályba lépő jogszabályok' (Laws effective today) and 'Mai napon hatályukat veszítő jogszabályok' (Laws losing their effect today).

Context

- The website also offers information on international contracts that influence national legislation.
